# Message from the Executive Director

As we reflect on this season, I want to recognize the incredible people who make JJC what it is. Across every department—Behavioral Health, Truancy Intervention & Prevention, In-Home Detention, Community School Case Management, Parenting, Aftercare Evening Reporting Center, Community Evening Resource Center, Foster Care, Adoptions, and Intensive Prevention Services—our staff pour into children, youth, and families with dedication and care.

From case managers, social workers, care coordinators, therapists, IBHS staff, and mental health professionals to directors, supervisors, facilitators, mentors, administrative teams, business office, HR, executive coordinator, receptionist, physical resources staff, youth mentors, van drivers, cooks, and our Board of Directors—every person plays a vital role.

Whether through creating safe spaces in our programs, engaging in community and school-based work, conducting home visits, preparing meals, providing transportation, or supporting operations behind the scenes, your efforts ensure youth and families are met with care and opportunity wherever they are.

Thank you for the heart and commitment you bring to this work. Because of you, JJC continues to stand strong as a place of hope, connection, and opportunity.

With gratitude,  
Jeanine Marie Glasgow, Executive Director

“Our greatest motivation is to play for each other. This team loves each other. That’s what makes this team special — they’re in it for each other.” – Nick Sirianni  
At JJC, we embody this same spirit. Our staff, mentors, community partners, and stakeholders work side by side to support youth and families, showing what it means to put others first. Together, we create opportunities, strengthen connections, and build brighter futures.

## Program Success Story Spotlight

At JJC Family Services, every success reminds us why we do this work. Here is one story to make you believe silver linings are possible!

Recently, our Truancy Program supported a single mother and her **children** who had been experiencing homelessness and facing truancy challenges for over a year. With the dedicated support of a JJC Truancy Case Manager, the family was guided step by step toward stability: ✨ Securing safe, permanent housing 🏠 ✨ Receiving essential furniture and clothing 🛋️🛏️ ✨ Transportation to and from Truancy Court 🚗 ✨ Job search support, including interview prep and clothing 🧳 Because of these efforts, the children are now enrolled in school near their new home, and the family is building a stronger future together. 💡 This story is a powerful reminder of the lasting impact compassionate, coordinated intervention can have on families in need. 🌟👏 A huge thank you to our Truancy team for their tireless work in helping families overcome barriers and thrive!

**Adoptions:** JJC's Department of Permanency Planning (DOPP) has been facilitating child adoptions since 1994 through the Pennsylvania Statewide Adoption and Permanency Network (SWAN).

**Foster Care:** JJC's Foster Care Program licenses and certifies resource homes to provide temporary, supportive care for children and youth from birth to age 21 who cannot remain with their birth parents or guardians due to circumstances such as loss, incarceration, or poverty. The program's primary goal is permanency—whether through reunification, kinship care, adoption, or legal custodianship—and JJC is currently seeking resource parents for older youth, LGBTQIA youth, and youth with specialized behavioral and emotional health needs.

**AERC:** JJC's Aftercare Evening Reporting Center, launched in March 2020, serves justice-involved youth ages 16-20 who are completing probation requirements or working to prevent re-placement in the juvenile justice system. Operating Monday-Friday from 4-8 p.m. (with community service on select Saturdays), the program provides case management, life skills, education and employment coaching, pro-social activities, and behavioral health linkages to help participants remain arrest-free and successfully transition forward, with referrals made through probation officers, judges, public defenders, or district attorneys.

**CERC:** JJC's Community Evening Resource Center in Germantown serves youth ages 10-17 from 7 p.m.-2 a.m., providing a safe space with structured activities that promote positive development through creative, educational, and wellness programming while addressing violence prevention and life skills. It also supports curfew-violating youth referred by Philadelphia Police in the 5th, 14th, 35th, and 39th districts, offering guidance, safe transport, and resources for families to help youth make healthier choices.

**Intensive Behavioral Health Services:** JJC's Behavioral Health Program provides children and adolescents in Philadelphia County with psychiatric and psychological services, including evaluations, therapy, and behavioral rehabilitation, using trauma-informed, evidence-based practices such as Cognitive Behavioral Therapy. For nearly 20 years, as a licensed outpatient provider, JJC has offered comprehensive supports including medication management, group and individual therapy, family psychotherapy, Parent-Child Interactive Therapy (PCIT), and wraparound services delivered in homes, schools, and community settings.

**Home Based Detention Services:** JJC's In-Home Detention (IHD) program, in partnership with Philadelphia Family Court, has served justice-involved youth for over 30 years by providing intensive home-based case management and mentorship. Youth spend up to 22.5 hours per week with a dedicated case worker, engaging in one-on-one and group sessions focused on goal setting, life skills, leadership, education, employment readiness, cultural awareness, community service, and character building to address underlying issues and support positive development.

**Intensive Prevention Services:** JJC's Intensive Prevention Services (IPS), launched in 2011, serves youth ages 10-19 who are at risk of drifting into delinquency by providing in-home family counseling, site-based programming, and community service engagement. Offered four times a week, the program partners with schools, diversionary programs, and police districts to reduce the school-to-prison pipeline, while teaching life skills, character development, and the 7 C's curriculum—competency, connections, coping, compassion, character, control, and confidence.

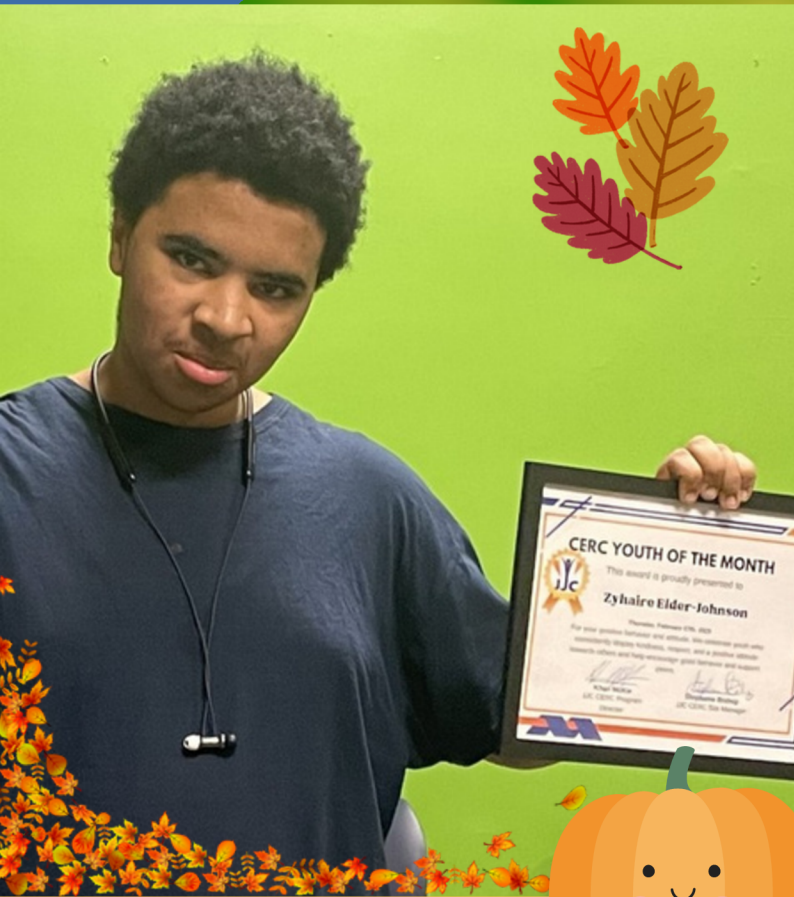

**Parent Empowerment Program:** JJC's Parent Empowerment Program is designed to empower parents of all ages to build their confidence and competency skills as parents.

The mission of the program is to help parents recognize and respond lovingly and appropriately to their children's developmental needs at various ages and stages of child development. Our classes are designed to strengthen the relationship between parents and their children and reduce the risk of child abuse and neglect.

**Truancy Intervention and Prevention Services:** JJC provides a rapid three tier intervention and prevention service to children and youth that have been identified as being truant or at risk of being truant from school. JJC provides case management services to families whose children are experiencing problems with attending school on a regular and consistent basis. Our case managers work within schools in the Northwest region of Philadelphia. JJC truancy case managers work in collaboration with the identified schools, the Department of Human Services, and Regional Truancy Court to help eliminate the barriers impacting school attendance and adhering to Pennsylvania's Act 138.

# Youth Spotlight: Ayanna

Ayanna, a determined young woman from Philadelphia 🌟🌟, just walked across the stage to receive her high school diploma –a moment she once thought might never come. Growing up, she faced more than her fair share of challenges: personal hardships, academic setbacks, and the weight of responsibilities far beyond her years. There were days when giving up seemed easier, but Ayanna refused to let her circumstances define her future. 💙💪 With late nights of studying, the unwavering support of a few loved ones, and a deep belief that she was meant for more, she pushed through every obstacle. Her graduation is more than just a milestone—it's a symbol of resilience, strength, and the power of perseverance. Now, with her cap and gown put away, Ayanna is ready to step boldly into the next chapter of her life, proving to herself and others that no dream is too far out of reach. 🌟🔥🌟

## JJC IN THE COMMUNITY

JJC employees were out and about in the community in September helping to support two fall festivals, The Men Who Care of Germantown and the Family Literacy Fair!

# Kelly Laysears

## AERC Program Director

# STAFF SPOTLIGHT

We are proud to announce that Kelly Laysears, Director of our Aftercare Evening Reporting Center (AERC), has been chosen by the Widger Family Foundation as an Emerging Leader.

When Kelly first joined JJC, she did not imagine one day leading a team or directing a program. Over time, however, she has shown all the hallmarks of true leadership—curiosity, commitment, and a deep desire to help the youth she serves. Her steady quest for growth, along with her dedication to helping young men become productive citizens, has made her stand out in remarkable ways.

Through this recognition, Kelly will embark on executive leadership workshops and connect with other nonprofit leaders, strengthening her skills, vision, and impact. In addition, the AERC program has been awarded \$25,000 from the Widger Family Foundation to be used toward programming, youth needs, and creating more opportunities for success after discharge.

This honor affirms what we at JJC already know: Kelly is inspiring, determined, and deeply committed to her work. We are truly grateful for the recognition of the Widger Family Foundation and look forward to seeing Kelly continue to grow—both as a leader and in advancing the AERC program she so passionately guides.
